Full terms & conditions

1. Cashback computation

Cashback is calculated on eligible retail transactions posted within a calendar quarter. Cash advances, balance transfers, fund transfers, annual fees, late charges, instalment-plan amounts and tax payments are excluded from eligible spend and from the cashback cap.

2. Minimum spend & qualifying purchases

A minimum of 10 eligible card transactions per statement month is required, in addition to meeting the minimum spend tier, for cashback to accrue for that quarter. Spend across principal and supplementary cards is aggregated.

3. Fees & interest

The annual fee is charged on card approval and on each anniversary, subject to any waiver in force. Interest is charged on the unpaid balance at the prevailing rate when the statement balance is not paid in full by the payment due date. The Bank may vary fees and rates with 30 days' notice.

4. General

These terms are to be read with the UOB Cardmember Agreement and the UOB Deals & Privileges terms. In the event of inconsistency, the Cardmember Agreement prevails. The Bank may amend these terms from time to time and will give notice where required by law.
